Professional Summary

Front-end Developer with hands-on experience building and maintaining production web applications and React-based Single Page Applications. Strong in JavaScript (ES6+), responsive UI development, and reusable component design, with exposure to supporting users and troubleshooting application issues in production environments. Comfortable working in Agile teams and collaborating with designers, backend developers, and stakeholders to deliver clean, user-focused interfaces.

Skills

- LANGUAGES: JavaScript (ES6+), TypeScript (Basic/Intermediate), HTML5, CSS3/SASS, SQL
- FRAMEWORKS & LIBRARIES: React.js, Redux/Context API, React Router, Bootstrap, Tailwind CSS
- BACKEND & DATABASE: Node.js (Basic), RESTful APIs, MySQL, PostgreSQL
- TOOLS & WORKFLOW: Git/GitHub, Jira, Agile/Scrum, Figma, Webpack/Vite
- CMS & E-COMMERCE: WordPress, Shopify Liquid

Experience

08/2022 - Current
Weblink Pvt Ltd

React Developer
- Worked on a live production business website, implementing UI enhancements and layout improvements.
- Developed a React.js Single Page Application (SPA) for an internal Business Services Management Portal.
- Built reusable React components using functional components and hooks.
- Implemented client-side routing and integrated REST APIs for dynamic data handling.
- Ensured responsive behaviour and cross-browser compatibility.
- Collaborated with stakeholders to deliver regular feature updates.

06/2020 - 12/2020
TechSolutions IT Services Pvt. Ltd

Application Support Technician
- Provided Level 1 IT and application support for internal users and clients, troubleshooting issues related to web applications, browsers, and desktop environments.
- Assisted users with login issues, UI bugs, and basic application errors, escalating complex issues to developers when required.
- Supported testing and deployment of web-based applications, ensuring cross-browser compatibility and smooth user experience.
- Collaborated with developers to identify, reproduce, and document bugs, while maintaining basic technical documentation for recurring issues.
